

CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

July 12, 2005

H.R. 1442

A bill to complete the codification of title 46, United States Code, “Shipping,” as positive law

As ordered reported by the House Committee on the Judiciary on June 29, 2005

H.R. 1442 would codify portions of title 46, United States Code, and make technical changes to various shipping laws enforced by the Maritime Administration, the U.S. Coast Guard, and other federal agencies. CBO estimates that enacting this bill would result in no cost to the federal government and would not affect direct spending or revenues.

H.R. 1442 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Deborah Reis. This estimate was approved by Peter H. Fontaine, Deputy Assistant Director for Budget Analysis.
